

PINTURA ADELANTE

Estimate & information

Why choose us?

I am a professional kitchen and furniture painter, and you can rely on me to thoroughly prepare and transform your tired wooden kitchen into a beautiful new feature for 10-20% of the cost of new. I also paint and repaint luxury bespoke kitchens.

Professional

I know everyone these days seems to be a specialist, but all I can say is that this is predominantly what I do, and beyond a job, it is my passion.

Preparation

I spent many years developing best trade practice in the UK, and have a deep understanding of the products, equipment and tools required to produce the finest end results. From dust-free sanding to eco cleaners and high performance paints, I always use what is deemed as the best options available today.

Personal

I work direct for you. From the first enquiry up to this point, I hope you can already see that I am prompt and pay attention. This is how I am, from start to finish. I will arrive on time and work through to completion. I understand it can be a stressful time, especially if coming in at the end of a long kitchen refurbishment project, but I will do my level best to minimize any further disruption, until I hand over your new kitchen on schedule.

Peace of mind

I am very experienced, but just in case you have a particularly tricky question, I have direct access to industry-leading resources which guarantees a reliable answer to any technical question, and can provide up to date specialist advice related to any painting and decorating work.

More than a coat of paint. Based on past experience, you will be amazed at how good your new kitchen looks.
